

Dismissal Procedures for Grade School Sunday School

In order to ensure the safety of our children, 1st-5th graders will not be allowed to leave the Children's Center without a parent or guardian at the end of the Sunday School hour without a signed permission slip on file. If a child does not have a signed permission slip on file he/she will remain in the Children's Center until a parent comes to pick them up. No exceptions will be made. Please fill out and return the form at the bottom of this page if you wish to allow your child to be dismissed without you. If you prefer to pick up your child, please arrive in a timely manner as to allow our Sunday School leaders to get to worship and their other responsibilities on time. Parents may pick up their children from their classroom by 10:15am or in the Children's Theater after this time.
