III. Searching Resources.

If you are a person that likes to make lists then consider keeping track of: the “I Am” statements in the book of John, keep track of what the book of John tells us in regards to believing, keep track of locations on a map and time frames, keep track of the miracles mentioned.

***If this seems like busy work to you then don't do it. Only do it if it is helpful in learning and retaining truth from the book of John.*

IV. Sharing with one another.

- A. Write out any thoughts, questions, or knowledge that you've gained that you would like to discuss/share with our class. **Go ahead and e-mail that in to us while you're thinking about it and we can go over it in class. We love to hear from you!**

V. Serving God.

Take some time now to pray for someone in particular that the Lord lays on your heart that needs to hear that Jesus loves them dearly.

See you on Sunday where we are *Always Learning!*
