

June 10, 2021

Dear Church Family,

Thank you so much for your generosity to First Baptist Church in the area of financial giving. It has been a great year so far, as we transition from the Covid restrictions over the past 15 months. This summer, we are blessed to participate in Celebration of Liberty, mission trips, Vacation Bible School, and so many other ministry opportunities!

We have met our budget targets for EVERY month so far this year, as well as having higher giving versus expenses. This is a "first" in the history of the church, so THANK YOU for your faithfulness.

Due to your generosity, we are funding the core ministries of the church, plus several extra projects. In the coming months, you will see HVAC replacements for the Lindsay Building, a new audio/video system in Ellis Hall, and upgrades in the children's area and Estep Family Life Center. These improvements allow us to do ministry more effectively and are only possible because of your faithful contributions.

I am very thankful for your love for the Lord and for our church. We look forward to a great summer season of ministry together! Attached is a summary of your financial giving through the month of May. You will receive another update this fall, as well as a year-end statement. Please contact Rhonda Jackson with any questions at 803-343-8563 or rhondajackson@fbccola.com.

God bless,

Buster Whitlock
Minister of Administration
