

# 2024 MISSION TRIPS

## **MARCH 2-8 /// MIAMI (COLLEGE)**

---

During Spring Break, the college ministry will work alongside established and emerging church planters in the Miami area. The work will include mercy and compassion projects with outreach to newly targeted areas.

## **MAY 31-JUNE 10 /// THAILAND**

---

We will assist the Bangkok team in carrying out their ministry vision to reach the city of more than 10 million people with less than 1% being Christian.

## **JUNE 14-23 /// GREECE**

---

We will work with church planters in the city of Athens by giving support to their team strategy through evangelism and other projects as needed.

## **JULY 8-12 /// WISCONSIN (BUILDERS FOR CHRIST)**

---

This ministry gives support to existing churches by helping with construction projects. The 2024 project will build a 13,462 square foot church facility in Eau Claire, Wisconsin.

## **JULY 12-19 /// UTAH**

---

This team will focus on evangelism in an area of our country where less than 2% of the population is considered evangelical Christian.

## **JULY 29-AUGUST 7 /// LONDON**

---

This team will help reach the thousands of Gulf Arabs who come to London for vacation. This will be accomplished through Scripture distribution and evangelism.

## **OCTOBER 16-20 /// NEW YORK (COLLEGE)**

---

The college ministry will be spending their Fall Break by working with church planters in New York.

## **DECEMBER 13-15 /// DETROIT**

---

We will work with Drew Ansley and his church plant Refuge Detroit to support his Christmas store outreach. During this time, people from the neighborhood can shop for Christmas gifts for their kids at discount prices. This allows the church to build relationships and share the gospel.
