Spiritual Growth Assessment Process

Your spiritual journey as a follower of Christ began the moment you admitted personal sin and placed your trust in Christ as Savior and Lord. From that point, until death or the return of Christ, your life's call is to grow in Christlikeness.

Jesus summarizes the disciple's call in Mark 8:34, "If anyone wants to be My follower, he must deny himself, take up his cross, and follow Me" (Holman CSB).

Accomplishing such a challenging assignment requires growing in your understanding of what it means to be a Christian, expanding your personal knowledge of biblical truth, and applying daily what you learn. Through the presence of His indwelling Spirit, God enables you to know, obey, and serve Him.

God expects His children to grow spiritually and His Word encourages personal examination as an element of growth.

- "Let us search out and examine our ways..." Lamentations 3:40
- "Now, the Lord of Hosts says this: 'Think carefully about your ways.'" Haggai 1:5
- "Search me, God, and know my heart; test me and know my concerns. See if there is any offensive way in me; lead me in the everlasting way." Psalm 139:23-24
- "But each person should examine his own work, and then he will have a reason for boasting in himself alone, and not in respect to someone else." Galatians 6:4
- "Pay careful attention, then, to how you walk—not as unwise people, but as wise." Ephesians 5:15

This assessment process can help you complete an examination and careful search of your spiritual growth. Follow these simple steps to complete the process.

1. Complete the **Spiritual Growth Assessment**.

The assessment helps you think carefully about your spiritual development related to six specific spiritual disciplines; abiding in Christ, living in the Word, praying in faith, fellowshiping with believers, witnessing to the world, ministering to others. Before completing your responses, ask the Lord to guide your evaluation. Since most of these statements require a subjective response, His guidance is the key to an accurate appraisal. Also, resist the urge to compare scores with others. Self-condemnation or pride could result from such comparisons. Trust God to help you grow spiritually by revealing heart issues and empowering you to take action.

2. Draw and evaluate your **Discipleship Wheel**.

3. Distribute copies of the **Spiritual Growth Observations Response Sheet** to at least three people. Follow the instructions before completing a personal growth plan.

4. Begin working on a **personal growth plan**.

The **Annual Spiritual Growth Plan** worksheet helps you formulate an intentional plan for growth. Use the **Recommended Actions for Spiritual Growth Guide** to discover suggestions for actions to include in your plan. As you discuss your plan with an accountability partner, you may discover additional actions that more effectively meet your needs.

As you complete this assessment process the temptation might be to think your efforts are central to growing spiritually. **Remember, becoming like Christ centers on His work in us and not our work for Him. God desires heart change over religious actions.** Without question, God does the revealing, the renewing, the empowering, and the recreating. Your part as His disciple is to do the yielding, the submitting, and the obeying.

Spiritual Growth Assessment

As you complete the assessment, avoid rushing. Listen for God's voice to encourage and challenge you. Consider this experience as one-on-one time with Him. Be intentional in your growth towards Christlikeness. Use the scale below to respond to each statement.

Your Discipleship Target

For a visual representation of your spiritual assessment complete the following steps:

Step One: On the dotted line in each discipline section of the circle plot a point corresponding to your total score for that discipline. Place similar points on the solid lines to the immediate right and left of each dotted line.

Step Two: Connect the plotted points with curved lines similar to the lines of the circle.

Step Three: Using a pencil or marker shade the areas in each section between the lines you drew and the center of the circle. The shaded areas reveal your personal discipleship wheel at this point in your spiritual journey.

Step Four: Ask yourself these questions:

1. Which areas have the most shading? At this point in your spiritual journey, you see these as the strongest elements of your spiritual growth. List below one benefit these strengths bring to

a. You personally: _____

b. Your family: _____

c. Your church: _____

d. Your community: _____

2. Which areas have the least shading? At this point in your spiritual journey you see these as the elements needing the most improvement. List below one reward growth in these disciplines would bring to:

a. You personally: _____

b. Your family: _____

c. Your church: _____

d. Your community: _____

Step Five: Make specific plans to grow spiritually this next year. Complete the **Annual Spiritual Growth Plan**.

Spiritual Growth Observations Instructions

1. Enlist 3 people to complete a **Spiritual Growth Observation** on you. These should be Christians who regularly observe your life actions. If married, your spouse would be an excellent choice to give you feedback. Older children in your family might also be considered. Explain to those you enlist that you need their help to accurately assess your spiritual growth. Point out that you want to discover areas where growth is needed and without their input those discoveries might not be possible.

2. After receiving the completed observations, follow these simple steps:

- a. Send each person who completed the observations a thank you note.
- b. Pray over the responses before looking at the specific scores.
- c. Average the scores of each discipline and write the average score below.

- Abide in Christ _____
- Live by God's Word _____
- Pray in Faith _____
- Build godly Relationships _____
- Witness to the World _____
- Minister to Others _____

d. Compare the scores with your personal assessment totals. Ask yourself these questions and discuss your answers with your accountability partner:

- i. Where do the observer scores agree with my personal scores?
- ii. Where do the observer scores disagree with my personal scores? If the observer scores disagree with my scores, do they agree with each other? If so, could this be a blind spot for me that needs attention?
- iii. Review any "NO" (not observed) responses. Should the people closest to me be seeing more of these actions? If your answer is yes, consider addressing this on your **Annual Spiritual Growth Action Plan**.

3. Complete your **Annual Spiritual Growth Action Plan**.
