

First Baptist Church

November 20, 2025

Dear Church Family,

After careful review, our staff, Finance Committee, and Deacons are pleased to recommend the attached 2026 ministry budget. Because this is more than numbers—it is a plan for ministry—we are eager to see how the Lord will use our church in the coming year. The proposed budget reflects a modest 1% increase over 2025 and includes strategic investments in missions, outreach, and emerging generations.

As you review it, I invite you to prayerfully consider how you might grow in the grace of giving and deepen your involvement in the work God has entrusted to us. Your generosity has been remarkable, and we believe God will continue to use our church family in powerful ways in 2026.

We will vote on the proposed budget during our Church Conference on Sunday, December 7, immediately following the morning worship service. If you have any questions, please feel free to contact me directly at 803-343-8581 or busterwhitlock@fbccola.com.

God Bless,

Buster Whitlock
Minister of Administration
